Edinburgh Postnatal Depression Scale¹ (EPDS)

Name: _____

Your Date of Birth: _____

Baby's Date of Birth: _____

As you are pregnant or have recently had a baby, we would like to know how you are feeling. Please check the answer that comes closest to how you have felt **IN THE PAST 7 DAYS**, not just how you feel today.

Here is an example, already completed.

I have felt happy:

- Yes, all the time
- Yes, most of the time This would mean: "I have felt happy most of the time" during the past week.
- No, not very often Please complete the other questions in the same way.
- No, not at all

In the past 7 days:

- 1. I have been able to laugh and see the funny side of things
 - As much as I always could
 - Not quite so much now
 - Definitely not so much now
 - Not at all
- 2. I have looked forward with enjoyment to things
 - As much as I ever did
 - Rather less than I used to
 - Definitely less than I used to
 - Hardly at all
- *3. I have blamed myself unnecessarily when things went wrong
 - Yes, most of the time
 - Yes, some of the time
 - Not very often
 - No, never
- 4. I have been anxious or worried for no good reason
 - No, not at all
 - Hardly ever
 - Yes, sometimes
 - Yes, very often
- *5. I have felt scared or panicky for no very good reason
 - Yes, quite a lot
 - Yes, sometimes
 - No, not much
 - No, not at all
- *6. Things have been getting on top of me
 - Yes, most of the time I haven't been able to cope at all
 - Yes, sometimes I haven't been coping as well as usual
 - No, most of the time I have coped quite well
 - No, I have been coping as well as ever
- *7. I have been so unhappy that I have had difficulty sleeping
 - Yes, most of the time
 - Yes, sometimes
 - Not very often
 - No, not at all
- *8. I have felt sad or miserable
 - Yes, most of the time
 - Yes, quite often
 - Not very often
 - No, not at all
- *9. I have been so unhappy that I have been crying
 - Yes, most of the time
 - Yes, quite often
 - Only occasionally
 - No, never
- *10. The thought of harming myself has occurred to me
 - Yes, quite often
 - Sometimes
 - Hardly ever
 - Never

Bright Futures Parent Handout 2 to 5 Day (First Week) Visit

Here are some suggestions from Bright Futures experts that may be of value to your family.

How You Are Feeling

- Call us for help if you feel sad, blue, or overwhelmed for more than a few days.
- Try to sleep or rest when your baby sleeps.
- Take help from family and friends.
- Give your other children small, safe ways to help you with the baby.
- Spend special time alone with each child.
- Keep up family routines.
- If you are offered advice that you do not want or do not agree with, smile, say thanks, and change the subject.

PARENTAL WELL-BEING

Feeding Your Baby

- Feed only breast milk or iron-fortified formula, no water, in the first 6 months.
- Feed when your baby is hungry.
 - Puts hand to mouth
 - Sucks or roots
 - Fussing
- End feeding when you see your baby is full.
 - Turns away
 - Closes mouth
 - Relaxes hands

NUTRITIONAL ADEQUACY

If Breastfeeding

- Breastfeed 8–12 times per day.
- Make sure your baby has 6–8 wet diapers a day.
- Avoid foods you are allergic to.
- Wait until your baby is 4–6 weeks old before using a pacifier.
- A breastfeeding specialist can give you information and support on how to position your baby to make you more comfortable.
- WIC has nursing supplies for mothers who breastfeed.

NUTRITIONAL ADEQUACY

If Formula Feeding

- Offer your baby 2 oz every 2–3 hours, more if still hungry.
- Hold your baby so you can look at each other while feeding
- Do not prop the bottle.
- Give your baby a pacifier when sleeping.

NUTRITIONAL ADEQUACY

Baby Care

- Use a rectal thermometer, not an ear thermometer.
- Check for fever, which is a rectal temperature of 100.4°F/38.0°C or higher.
- In babies 3 months and younger, fevers are serious. Call us if your baby has a temperature of 100.4°F/38.0°C or higher.
- Take a first aid and infant CPR class.
- Have a list of phone numbers for emergencies.
- Have everyone who touches the baby wash their hands first.
- Wash your hands often.
- Avoid crowds.
- Keep your baby out of the sun; use sunscreen only if there is no shade.
- Know that babies get many rashes from 4–8 weeks of age. Call us if you are worried.

NEWBORN CARE

Getting Used to Your Baby

- Comfort your baby.
 - Gently touch baby's head.
 - Rocking baby.
- Start routines for bathing, feeding, sleeping, and playing daily.
- Help wake your baby for feedings by
 - Patting
 - Changing diaper
 - Undressing

NEWBORN TRANSITION

- Put your baby to sleep on his or her back.
 - In a safe crib, in your room, not in your bed.
 - Swaddled or with tucked blankets.
 - Do not use loose, soft bedding or toys in the crib such as comforters, pillows, or pillow-like bumper pads.
- Use a crib with slats close together.
 - 2³/₈ inches apart or less
- Keep the baby from getting too warm or cold.

NEWBORN TRANSITION

Safety

- The car safety seat should be rear-facing in the middle of the back seat in all vehicles.
- Your baby should never be in a seat with a passenger air bag.
- Keep your car and home smoke free.
- Keep your baby safe from hot water and hot drinks.
- Do not drink hot liquids while holding your baby.
- Make sure your water heater is set at lower than 120°F.
- Test your baby's bathwater with your wrist.
- Always wear a seat belt and never drink and drive.

SAFETY

What to Expect at Your Baby's 1 Month Visit

We will talk about

- Any concerns you have about your baby
- Feeding your baby and watching him or her grow
- How your baby is doing with your whole family
- Your health and recovery
- Your plans to go back to school or work
- Caring for and protecting your baby
- Safety at home and in the car
